Welcome!

Thank you for your interest in our Beach Sessions! There is absolutely nothing like a beach portrait session! I strive to provide my clients with a pleasing and relaxing photography experience (capturing special candid moments as well as traditional posing), high quality images, & exceptional customer service. I shoot throughout the South Jersey Shore from Ventnor to Cape May! I spend the majority of the summer down the shore, therefore I have large amount of availability from Memorial Day to Labor Day to accomodate your needs!

We can shoot on the beach, by the bay, your campground, or even on the boardwalk! We shoot as close to sunset as possible but will accomodate your young family's schedule. Please note that most of the images you see in this guide are taken at the golden hour of sunset. This would be sacrificed when an earlier session is requested, but I do understand that a pleasent child is better than a prettier sky :)

HAPPY beachgoers

"To say that we were thrilled with our photo session with Danielle would be an understatement. We had such an enjoyable time and she made our entire experience so special from the beginning to the end. The pictures turned out amazing! Couldn't have asked for anything better!"

KRYSTIN POWERS

"I always wanted professional photos of my family on the beach. Danielle made things so easy for our beach photo session! She came to us while on vacation, found the perfect location to shoot the perfect shots, and created beautiful pictures to last us a lifetime. She's awesome!"

JENNIFER BUONOPANE

"Danielle's talent and passion shine through the pictures she captures. Working with her is smooth and effortless, which is saying a lot when trying to wrangle little children on the beach. She's absolutely amazing with children, capturing the essence of everyone's personality perfectly, what we cherish most about her family sessions. She captures special family moments for us that we will treasure for a lifetime. We had an absolute blast during our beach session and we can't wait for the next time!"

AMANDA SULEK

Had such an amazing experience with DFC last summer! Danielle was so easy to work with, she helped with color and outfit selection and was so sweet to my 1 and 3 year old, she knew exactly how to grab their attention at the right moments. We definitely will be using her again!
